Bespoke training for children and youth workers

Tailored to meet local needs

Training

DIOCESE OF BATH & WELLS

Changing Lives, Changing Churches for Changing Communities

Training

Training offers the perfect opportunity to gain or improve relevant skills or knowledge.

Discovering what others are doing in your area, sharing ideas and experience and keeping up to date with what's new are all part of the benefits of a good training session. It can also lead to greater confidence and satisfaction in the work that you do and enhance both your personal and career development.

Our advisers for parishes & deaneries provide a wide range of high quality, bespoke training modules and courses for children and youth workers, which can be tailored to meet local needs. They can also put you in touch with other providers & training organisations.

We aim to provide high quality training to all those who work with children and young people in faith based settings
